MADE IN THE USA

ABOUT BAK: At BAK Industries, we believe that just because a truck is used for work, doesn't mean it needs to look like a work truck. It is possible to elegantly craft strong, rugged products while maintaining a clean look of sophistication and style. We have developed a line of tonneau cover products that help maintain the functionality and appearance of your truck, and take pride in the ability to exceed expectations through their performance.

The latest addition to the BAK lineup is the all-new BAKFlip MX4, a premium hard folding cover featuring a dual action tailgate seal and heavy-duty aluminum panels with an attractive matte finish. The BAKFlip F1 premier hard folding cover, has been upgraded to include the new dual action tailgate seal, allowing the tailgate to close with the cover in the open or closed position.

We are confident that within our line of products there is a cover for everyone. Lifestyles vary, and we've worked diligently to develop truck accessories that cater to all of them. Enhance your truck's capabilities and extend its performance with a tonneau cover by BAK Industries.

Which BAKFlip Tonneau is best for me?

BAKFLIP BASICS

REVOLVER X2

HARD ROLLING COVER

The BAK *Revolver X2*, featuring exclusive automatic rotational locking rails that secure the cover the entire length of the bed on each side. This hard aluminum roll-up cover easily rolls up with one-handed operation and allows use of every inch of the truck bed without blocking your rear window. This cover does it all with unrivaled strength, security and style.

- Patented locking rails secure the full length of the bed
- Easy to use automatic slam latch operates from either side
- No lifting with easy one-handed rolling design
- Easy clamp-on installation
- No Velcro® or stitching
- 100% bed access
- Tough security
- Full access to stake pocket holes for other accessories
- 3-year warranty

HARD ROLLING COVER

NO VELCRO® OR STITCHING

ROLLS TIGHT FOR 100% ACCESS & VISIBILITY

UNDERSIDE REVEALS STRONG ALUMINUM SLATS

REVOLVER X2

HARD ROLLING COVER

HEAVY-DUTY LEVER
Gussets reinforce the locking lever with thicker material, no need for adjustment – ever.

MOUNTING PLATES
New and improved mounting plates automatically position rails for simple installation.

INTEGRATED LATCH
Tailgate slat extrusion with integrated latch channel for added strength and durability.

BUCKLE STRAPS
Mounted on top of the cover to prevent rolled cover from shifting forward.

PRE-INSTALLED SHIMS Angle and spacer shims now pre-applied at the factory.

HOW IT WORKS:

LOCKING RAILS

UNRIVALED SECURITY!

The *Revolver X2* comes equipped with 3/4" Patented Rotational Locking Rails that lock the cover securely the entire length of the truck bed when latched. The 3/4" locking rail or "tooth" rotates into composite locking blocks inserted into each aluminum slat. The cover secures automatically when the spring loaded locking levers are engaged as the roll top is closed. Now the locking rail and blocks are **2X** larger, providing extreme security, easier installation and superior off-highway performance. Heavy-duty locking levers are now **3X** thicker with reinforced gussets for added strength and are engineered to lock with no adjustment necessary.

BAKflip^{G2}

ALUMINUM HARD FOLDING COVER

Our best selling cover, the **BAKFlip G2**, is the smartest investment when your job calls for a cover that offers full bed access when you need it, and maximum theft protection when you don't. The all-new integrated buckle system allows you to drive with your cover folded, flipped up or closed. Our patented latch system is concealed under the tonneau cover – simply lock your tailgate to secure the contents of your truck bed. The G2 is a perfect cargo management solution and compatible with almost any truck bed accessory.

- Durable, solid core panels with aluminum skins
- 100% truck bed access
- Sleek, low-profile design
- Premium UV resistance, won't fade or chalk
- Automatic latching panels
- 3rd brake light visibility complies with Federal safety standards
- Clamp on, no-drill installation
- Weather resistant
- Weight rated up to 300 lbs. of evenly distributed weight
- 2-year warranty

BAKflip

PREMIUM MATTE HARD FOLDING COVER

MX4

Introducing the all-new **BAKflip MX4**, featuring heavy-duty aluminum matte finish panels that offer superior UV and scratch resistance, and an enhanced premium density foam core. The MX4 is the upgrade to the G2 aluminum series, equipped with upgraded latch housing components, and an all-new integrated tailgate seal that allows the tailgate to close with the cover up or down.

BAKflip MX4 has all the features of the G2 **PLUS**:

- Upgraded tailgate operation with premium dual action seal
- Durable aluminum matte finish panels
- Injection molded latch housing for long-term durability
- Premium density foam core
- Advanced scratch and scuff resistance
- Rated up to 400 lbs. of evenly distributed weight
- Extended 3-year warranty

WHY UPGRADE? This heavy-duty, all-season truck bed cover is designed to perform in the most extreme conditions. The MX4's resilient infrastructure is designed for everyday use, with upgraded components that provide enhanced resistance to the elements without compromising its sleek, low-profile look and feel. The MX4's solid and robust design is flush mount, and backed by an extended 3-year warranty.

FIBER
MAX

BAKflip

COMPOSITE HARD FOLDING COVER

The **BAKflip FiberMax** includes all of the features of a standard aluminum BAKflip, now with an FRP (Fiberglass Reinforced Polymer) surface, making the cover dent, scuff and ding resistant, as well as cooler to the touch. Its tough aluminum substructure, robust hinge design and patented slam latch system make the FiberMax an easy-to-use, dependable cover that is built to last.

- FRP (Fiberglass Reinforced Polymer) panel top skin
- New buckle system secures cover in open position
- Patented rail design with load-bearing flange to support heavy loads
- EPDM outer rail seals for maximum water resistance
- UV resistant for long-term durability
- 100% bed access
- Quick-release attachment system
- Weight rated up to 300 lbs. of evenly distributed weight
- 2-year warranty

BAKFlip ^{F1}

PREMIER HARD FOLDING COVER

The rich, high-gloss FRP (Fiberglass Reinforced Polymer) top surface of the **BAKFlip F1** provides superior dent, ding and scratch resistance. Heavy-duty aluminum panels line the underside, giving the cover its strength and durability. Together, these make the F1 our top of the line BAKFlip, offering a stylish and secure cover for the long haul.

BAKFlip F1 has all the features of the FiberMax **PLUS**:

- Advanced impact resistant construction
- Upgraded tailgate operation with premium dual action seal
- Premium density foam core
- Heavy-duty hardware and components
- Upgraded latch housing for long-term durability
- Weight rated up to 400 lbs. of evenly distributed weight
- Extended 3-year warranty

WHY UPGRADE? The F1's rugged design is made to perform in severe working and weather conditions. Rain, hail or snow – the F1 has you covered. Quickly and easily fold and lock the cover in the flipped up position for hauling large loads. The F1's advanced infrastructure and upgraded components provide unrivaled strength and security, and are backed by an extended 3-year warranty.

BAKFlip^{VP}

VINYL SERIES HARD FOLDING COVER

With the **BAKFlip VP**, style meets strength and simplicity. High-grade aluminum components make for a lighter, stronger and easier to operate tonneau cover. Textured vinyl skin provides solid protection from the elements, making it completely weather resistant with no exposed hinges. The VP combines the security of a hard folding cover with the elegant look and feel of leather grain vinyl.

- Textured vinyl over insulated heavy-duty aluminum panels
- New self-contained buckle system secures cover in folded position
- Hinge-less, one-piece look; no visible seams
- Impact and dent resistant
- Sleek, no-profile design
- Automatic latching panels
- 100% truck bed access
- No-drill, clamp-on installation
- Weight rated up to 250 lbs. of evenly distributed weight
- 1-year warranty

BAKflip^{CS}

CONTRACTOR SERIES

The **BAKflip CS** is the combination of a hard folding aluminum tonneau cover and an integrated rack system. The ultimate solution for both storage and cargo management, the CS provides flexible loading features to accommodate a variety of options from construction materials to sporting goods. The rack uprights and crossbars can be installed or removed in minutes offering the ultimate in truck bed versatility.

- Hard folding aluminum tonneau cover with integrated contractor rack
- Rack uprights slide in the rails for multiple positions
- 500 lbs. rack capacity
- Rack installs or can be removed in minutes
- 100% bed access
- One pair of sliding tie-downs included
- 2-year warranty

BAKFlip

CONTRACTOR SERIES **PRO**

CS/F1

The **BAKFlip CS/F1** offers the same flexibility and convenience of the CS, now with an FRP (Fiberglass Reinforced Polymer) high-gloss surface for increased rigidity and protection from dent and dings.

BAKFlip CS/F1 has all the features of the CS **PLUS**:

- Hard folding fiberglass cover with integrated contractor rack
- Advanced impact resistant construction
- Premium density solid EPS foam core
- Heavy-duty hardware and components
- Upgraded latch housing for long-term durability
- Extended 3-year warranty

WHY UPGRADE? The CS/F1 is your top choice when looking for a more durable and versatile cover and rack option. Designed for contractors, sports enthusiasts, and anyone looking to utilize a tonneau cover and rack simultaneously, the CS provides flexible loading features to accommodate a variety of cargo from utility equipment and construction materials, to sporting goods and appliances.

ROLLBAK

RETRACTABLE TRUCK BED COVER

The **RollBAK** is constructed of a series of 1/2" thick aluminum slats, interlinked together to provide an exceptionally rigid surface that will stand up to heavy use. The interlocked system easily glides along Teflon rails and can be locked into place at multiple positions. When fully retracted, the system neatly stows into a space saving canister in the truck bed, and can pull out quickly and easily with the included strap.

- 1/2" thick aluminum slats
- Rolls up into spring loaded canister
- Simple release cable opens cover from either side
- Locks with tailgate
- Sleek, low-profile look
- Mildew resistant felt lined underside
- Easy-glide Teflon® rails
- 100% stake pocket hole access for other accessories
- 2-year warranty

BAKBOX2

FOLD-AWAY UTILITY BOX

The **BAKBox2** is a convenient storage solution designed to work with the new Revolver X2 and the entire BAKFlip series. As the most versatile toolbox on the market, the BAKBox2 can be positioned anywhere on the rails and organizes your valuables underneath your locked tonneau. Best of all, the BAKBox2 folds out of the way quickly to give you back your entire truck bed cargo space.

- Folds away for full bed access
- Includes sliding tray for small items
- Box dimensions: 10" X 10" X bed width
- Sturdy no-drill clamp-on installation
- Solid core 1/2" thick FRP composite panels
- Designed for BAKFlip and Revolver X2 rails
- 1-year warranty
