MADE IN THE USA

**ABOUT BAK:** At BAK Industries, we believe that just because a truck is used for work, doesn't mean it needs to look like a work truck. It is possible to elegantly craft strong, rugged products while maintaining a clean look of sophistication and style. We have developed a line of tonneau cover products that help maintain the functionality and appearance of your truck, and take pride in the ability to exceed expectations through their performance.

The latest addition to the BAK lineup is the all-new BAKFlip MX4, a premium hard folding cover featuring a dual action tailgate seal and heavy-duty aluminum panels with an attractive matte finish. The BAKFlip F1 premier hard folding cover. has been upgraded to include the new dual action tailgate seal, allowing the tailgate to close with the cover in the open or closed position.

We are confident that within our line of products there is a cover for everyone. Lifestyles vary, and we've worked diligently to develop truck accessories that cater to all of them. Enhance your truck's capabilities and extend its performance with a tonneau cover by BAK Industries.

BAKFLIP BASICS

# REVOLVER X2

HARD ROLLING COVER

The BAK *Revolver X2*, featuring exclusive automatic rotational locking rails that secure the cover the entire length of the bed on each side. This hard aluminum roll-up cover easily rolls up with one-handed operation and allows use of every inch of the truck bed without blocking your rear window. This cover does it all with unrivaled strength, security and style.

- Patented locking rails secure the full length of the bed
- Easy to use automatic slam latch operates from either side
- No lifting with easy one-handed rolling design
- Easy clamp-on installation
- No Velcro® or stitching
- 100% bed access
- Tough security
- Full access to stake pocket holes for other accessories
- 3-year warranty

NO VELCRO® OR STITCHING

# LOCKING RAILS

## UNRIVALED SECURITY!

Both *Revolvers* come equipped with 3/4" Patented Rotational Locking Rails that lock the cover securely the entire length of the truck bed when latched. The 3/4" locking rail or "tooth" rotates into composite locking blocks inserted into each aluminum slat. The cover secures automatically when the spring loaded locking levers are engaged as the roll top is closed. Now the locking rail and blocks are **2X** larger, providing extreme security, easier installation and superior off-highway performance. Heavy-duty locking levers are now **3X** thicker with reinforced gussets for added strength and are engineered to lock with no adjustment necessary.

UNDERSIDE REVEALS STRONG ALUMINUM SLATS

# REVOLVER X4

PREMIUM MATTE HARD ROLLING COVER

Introducing the BAK **Revolver X4**. This premium hard rolling cover includes all the same great features of the Revolver X2, now with a stylish matte black finish. When closed, heavy-duty aluminum slats secure the cover the full length of the bed on both sides, providing unrivaled strength and security. When opened, the cover rolls up tight providing full bed access without blocking rear view mirror and third brake light visibility.

- Premium Matte Finish Hard Rolling Cover
- Patented Rotational Locking Rails Lock 100% of the Cover for Unrivaled Security
- Automatic Latching System
- Extended 3-Year Warranty

**WHY UPGRADE?** The RX4 is constructed of heavy-duty aluminum panels. When latched, the  $\frac{3}{4}$ " Patented Rotational Locking Rails secure the cover the entire length of the truck bed. Heavy-duty locking levers are now 3X thicker with reinforced gussets for added strength and are engineered to lock with no adjustment necessary.
