

BAK[®]

truck bed covers

YOUR TRUCK, BETTER!

bakindustries.com

FULL LINE CATALOG

ABOUT BAK: At BAK Industries, we believe that just because a truck is used for work, doesn't mean it needs to look like a work truck. It is possible to elegantly craft strong, rugged products while maintaining a clean look of sophistication and style. We have developed a line of tonneau cover products that help maintain the functionality and appearance of your truck, and take pride in the ability to exceed expectations through their performance.

BAK's newest product, the Vortrak retractable truck bed cover, is constructed of 1/2" thick aluminum slats that easily glide along heavy-duty aluminum rails that mount flush with the truck bed caps, providing a sleek, low-profile look. In addition to its fully opened and closed positions, the Vortrak can be locked into place in two additional locations of the driver's choice. The Vortrak can be installed easily without the use of special tools, is made in the USA, and comes backed by 2-year warranty.

We are confident that within our line of products there is a cover for everyone. Lifestyles vary, and we've worked diligently to develop truck accessories that cater to all of them. Enhance your truck's capabilities and extend its performance with a tonneau cover by BAK Industries.

BAKFLIP BASICS

REVOLVER^{X2}

HARD ROLLING COVER

The BAK **Revolver X2**, featuring exclusive automatic rotational locking rails that secure the cover the entire length of the bed on each side. This hard aluminum roll-up cover easily rolls up with one-handed operation and allows use of every inch of the truck bed without blocking your rear window. This cover does it all with unrivaled strength, security and style.

- Patented locking rails secure the full length of the bed
- Easy to use automatic slam latch operates from either side
- Full access to stake pocket holes for other accessories
- No lifting with easy one-handed rolling design
- Easy clamp-on installation
- No Velcro® or stitching
- 100% bed access
- Tough security
- 3-year warranty

NO VELCRO® OR STITCHING

REVOLVER: HOW IT WORKS

LOCKING RAILS

UNRIVALED SECURITY!

Both **Revolvers** come equipped with 3/4" Patented Rotational Locking Rails that lock the cover securely the entire length of the truck bed when latched. The 3/4" locking rail or "tooth" rotates into composite locking blocks inserted into each aluminum slat. The cover secures automatically when the spring loaded locking levers are engaged as the roll top is closed. Now the locking rail and blocks are **2X** larger, providing extreme security, easier installation and superior off-highway performance. Heavy-duty locking levers are now **3X** thicker with reinforced gussets for added strength and are engineered to lock with no adjustment necessary.

ROLLS TIGHT FOR 100% ACCESS & VISIBILITY

UNDERSIDE REVEALS STRONG ALUMINUM SLATS

RevolverX4

PREMIUM MATTE HARD ROLLING COVER

Introducing the BAK **Revolver X4**. This premium hard rolling cover includes all the same great features of the Revolver X2, now with a stylish matte black finish. When closed, heavy-duty aluminum slats secure the cover the full length of the bed on both sides, providing unrivaled strength and security. When opened, the cover rolls up tight providing full bed access without blocking rear view mirror and third brake light visibility.

- Premium matte finish hard rolling cover
- Patented rotational locking rails lock 100% of the cover for unrivaled security
- Automatic latching system
- Extended 3-year warranty

WHY UPGRADE? The RX4 is constructed of heavy-duty aluminum panels. When latched, the ¾" Patented Rotational Locking Rails secure the cover the entire length of the truck bed. Heavy-duty locking levers are now 3X thicker with reinforced gussets for added strength and are engineered to lock with no adjustment necessary.

BAKFlip^{G2}

ALUMINUM HARD FOLDING COVER

Our best selling cover, the **BAKFlip G2**, is the smartest investment when your job calls for a cover that offers full bed access when you need it, and maximum theft protection when you don't. The all-new integrated buckle system allows you to drive with your cover folded, flipped up or closed. Our patented latch system is concealed under the tonneau cover – simply lock your tailgate to secure the contents of your truck bed. The G2 is a perfect cargo management solution and compatible with almost any truck bed accessory.

- Durable, solid core panels with aluminum skins
- 100% truck bed access
- Sleek, low-profile design
- Premium UV resistance, won't fade or chalk
- Automatic latching panels
- 3rd brake light visibility complies with Federal safety standards
- Clamp on installation
- Weather resistant
- Weight rated up to 300 lbs. of evenly distributed weight
- 2-year warranty

BAKFlip^{MX4}

PREMIUM MATTE HARD FOLDING COVER

The **BAKFlip MX4** features heavy-duty aluminum matte finish panels that offer superior UV and scratch resistance, and an enhanced premium density foam core. The MX4 is the upgrade to the G2 aluminum series, equipped with upgraded latch housing components, and an all-new integrated tailgate seal that allows the tailgate to close with the cover up or down.

BAKFlip MX4 has all the features of the G2 **PLUS**:

- Upgraded tailgate operation with premium dual action seal
- Durable aluminum matte finish panels
- Injection molded latch housing for long-term durability
- Premium density foam core
- Advanced scratch and scuff resistance
- Rated up to 400 lbs. of evenly distributed weight
- Extended 3-year warranty

WHY UPGRADE? This heavy-duty, all-season truck bed cover is designed to perform in the most extreme conditions. The MX4's resilient infrastructure is designed for everyday use, with upgraded components that provide enhanced resistance to the elements without compromising its sleek, low-profile look and feel. The MX4's solid and robust design is flush mount, and backed by an extended 3-year warranty.

COMPOSITE HARD FOLDING COVER

**FIBER
MAX**

The **BAKFlip FiberMax** includes all of the features of a standard aluminum BAKFlip, now with an FRP (Fiberglass Reinforced Polymer) surface, making the cover dent, scuff and ding resistant, as well as cooler to the touch. Its tough aluminum substructure, robust hinge design and patented slam latch system make the FiberMax an easy-to-use, dependable cover that is built to last.

- FRP (Fiberglass Reinforced Polymer) panel top skin
- New buckle system secures cover in open position
- Patented rail design with load-bearing flange to support heavy loads
- EPDM outer rail seals for maximum water resistance
- UV resistant for long-term durability
- 100% bed access
- Quick-release attachment system
- Weight rated up to 300 lbs. of evenly distributed weight
- 2-year warranty

BAKFlip^{F1}

PREMIUM HARD FOLDING COVER

The rich, high-gloss FRP (Fiberglass Reinforced Polymer) top surface of the **BAKFlip F1** provides superior dent, ding and scratch resistance. Heavy-duty aluminum panels line the underside, giving the cover its strength and durability. Together, these make the F1 our top of the line BAKFlip, offering a stylish and secure cover for the long haul.

BAKFlip F1 has all the features of the FiberMax **PLUS**:

- Advanced impact resistant construction
- Upgraded tailgate operation with premium dual action seal
- Premium density foam core
- Heavy-duty hardware and components
- Upgraded latch housing for long-term durability
- Weight rated up to 400 lbs. of evenly distributed weight
- 3-year warranty

WHY UPGRADE? The F1's rugged design is made to perform in severe working and weather conditions. Rain, hail or snow – the F1 has you covered. Quickly and easily fold and lock the cover in the flipped up position for hauling large loads. The F1's advanced infrastructure and upgraded components provide unrivaled strength and security, and are backed by an extended 3-year warranty.

BAKFlip^{CS}

CONTRACTOR SERIES

The **BAKFlip CS** is the combination of a hard folding aluminum tonneau cover and an integrated rack system. The ultimate solution for both storage and cargo management, the CS provides flexible loading features to accommodate a variety of options from construction materials to sporting goods. The rack uprights and crossbars can be installed or removed in minutes offering the ultimate in truck bed versatility.

- Hard folding aluminum tonneau cover with integrated contractor rack
- Rack uprights slide in the rails for multiple positions
- 500 lbs. rack capacity
- Rack installs or can be removed in minutes
- 100% bed access
- One pair of sliding tie-downs included
- 2-year warranty

Some accessories not included. See website for more information.

CS SYSTEM IS PERFECT FOR WORK OR PLAY

COVER FLIPS UP TO HAUL LARGE EQUIPMENT

COVER SECURES VALUABLES OUT OF SIGHT

RACK UPRIGHTS EASILY SLIDE ALONG CARGO RAILS

BAKFlip^{CS/F1}

CONTRACTOR SERIES PRO

The **BAKFlip CS/F1** offers the same flexibility and convenience of the CS, now with an FRP (Fiberglass Reinforced Polymer) high-gloss surface for increased rigidity and protection from dent and dings.

- Hard folding fiberglass cover with integrated contractor rack
- Advanced impact resistant construction
- Premium density solid EPS foam core
- Heavy-duty hardware and components
- Upgraded latch housing for long-term durability
- Extended 3-year warranty

Some accessories not included. See website for more information.

WHY UPGRADE? The CS/F1 is your top choice when looking for a more durable and versatile cover and rack option. Designed for contractors, sports enthusiasts, and anyone looking to utilize a tonneau cover and rack simultaneously, the CS provides flexible loading features to accommodate a variety of cargo from utility equipment and construction materials, to sporting goods and appliances.
